## Accreditation Training

### 16 Personality Factor® Questionnaire Fifth Edition (16PF®)

#### Details

<b>Time:</b>	08:30 – 16:00
<b>Length of Training:</b>	2 days
<b>Type of Training:</b>	National accreditation
<b>CPD Points:</b>	14 CEUs

#### Who should attend:

- Psychologists
- Psychometrists
- Registered Counsellors
- Interns in these fields.

#### Course Overview

The Fifth Edition of the 16PF represents a controlled, natural evolution of the original Questionnaire, a comprehensive measure of the basic traits comprising normal adult personality. Continuing to assess the 16 personality factors first identified by Dr. Cattell more than 50 years ago, the Fifth Edition measures a number of additional scales, and numerous other criterion-related scales are also available. The 2-day training provides an in-depth understanding of the 16PF5.

#### Agenda

- Background & Development of the 16PF
- Theory
- Administration
- Research and statistical properties
- Interpretation and Case-studies
- SA standardisation
- Practical applications
- Interpretation of own results
- Ethics
- Wrap-up
